

Bridal Hair Timeline

A step-by-step guide to achieving your perfect wedding hair

6–12 Months Before the Wedding

Complimentary Consultation

- Meet to discuss your vision, dress style, venue, and overall aesthetic
- Review inspiration photos and your hair's current condition
- Plan your personalized hair journey leading up to the wedding

Hair Health Plan Begins

- Start growing or maintaining length
 - Discuss extensions if needed
 - Begin treatments if your hair needs strengthening or repair
-

6 Months Before the Wedding

Haircut & Colour Appointment

- Shape your haircut to support your desired bridal style
- Begin or refresh your colour (blonde, balayage, gloss, etc.)
- This sets the foundation for everything moving forward

Extension Planning & Ordering

- Final decision on whether extensions are needed for your bridal look
 - Custom colour match and selection
 - Extensions are ordered in time for your trial and wedding day
-

3–5 Months Before

Maintenance & Growth Phase

- Light trims if needed to maintain shape
 - Continue colour maintenance if required
 - Focus on keeping hair healthy, shiny, and manageable
-

Engagement Shoot (Timing Varies)

Professional Blowdry or Styling Appointment

- Book a wash & blowdry or styled look for your engagement photos
 - This ensures you feel confident and camera-ready
 - A great opportunity to see how your hair photographs
-

30 Days Before the Wedding

Bridal Hair Trial

- Trial your exact wedding day hairstyle
- Adjust placement, volume, and details
- Work with your extensions (if applicable)
- Finalize decisions on accessories (veil, pins, etc.)

Beauty Schedule Planning

- Begin drafting your wedding morning beauty schedule
 - Map out timing for you and your bridal party
 - Ensure a smooth, calm, and well-paced getting ready experience
-

2–3 Weeks Before the Wedding

Final Haircut & Colour

- Refresh your haircut (light trim only, no major changes)
 - Final colour appointment for brightness and polish
 - This timing ensures your hair looks fresh but still natural
-

2 Days Before the Wedding

Prep for Long-Lasting Styling

- Curly or textured hair clients are recommended to book a professional wash & blowdry
 - This creates a smooth, controlled base for styling and improves longevity
-

Night Before the Wedding

Follow Stylist Instructions

- Follow your personalized hair prep instructions exactly as provided
 - This may include when to wash your hair or when to leave it untouched
 - Avoid using heavy products unless advised
-

Wedding Day

Your Bridal Hair Experience

- Sit back, relax, and be taken care of
- Your hair is styled to last all day and photograph beautifully
- Final touches and veil placement completed before you leave
